- Changeable combination. Made for outdoor use.
- There is NO master combination that CAN UNLOCK a programmed combination. Please record and remember your combination before installing the lock or we can program the combination for you and install the lock.
- Manufacturer’s warranty: One year.

LIMITED 3 YRS WARRANTY

The warranty is extended solely to the original purchaser for a three years period from date of purchase against defects in material, parts and workmanship under normal use. The warranty does not cover theft, vandalism, negligence, tampering or improper use. The bin is designed for residential use and is made to house waste receptacles. It is not made to store piled bags of trash without receptacles as the weight will damage the doors and hardware. Keep interior of bin clean and free of spilled perishable waste as this will attract pests.

The Metrobox Company reserves the right to assess the nature of the defects within the warranty period and to determine the best course of action to remedy the defect. This warranty excludes scratches, dents, etc caused by wear and tear under normal use or color fading due to exposure to the elements over time.

Due to its function and outdoor placement, the bin is not returnable once delivered and used. Warranty does not include optional lock, accessories or modification requested by the customer.
